Dear Lions

Thank you so much for fundraising for us and sending in your donation of £200. Our original letter was sent to 111 Eton Road and therefore I apologise for not thanking you sooner.

Your generosity is already helping to make a difference for the patients, families and staff at Great Ormond Street Hospital. If you would like our Essex representative Julie Haworth to visit your club and give a presentation on the work of the hospital she can be contacted at Julie.haworth@gosh.org or 01268 786761.

The money you, and others like you, have raised is helping us to fund life-saving equipment and ground-breaking research to find cures and treatments giving children everywhere a brighter future. Your support is also helping us to build new facilities where children will have more space to get well and parents can stay with their children both night and day.

Thanks to the support of generous people like you, Great Ormond Street Hospital is a very special place; thank you.

Yours sincerely
