Dear Mr Chakravarti,

We were so delighted to receive your cheque for £501 given to David Wynne-Fitzgerald our Legal Advisor.

Please thank your members on our behalf for their generosity. This donation will enable us to keep our therapy classes going for a further 10 weeks which we find very beneficial, especially for improving our mobility.

We are keen to raise our own funds; therefore we will be participating in a Sponsored Walk in Valentines Park on 27th September 2009. Perhaps some of your members who suffer with or know someone who is coping with one of the 200 types of arthritis may wish to join us at this event?

Once again, very many thanks,

Yours sincerely,

Joan Woolston
