Dear Paul,

RE: Macmillan Cancer Support

I am delighted to inform you that our fund raising was very successful and we managed to raise £900.00 in total. I must say that Lions Club's contribution was by far the largest and Dave & I and the residents and staff of St Michaels lodge would like to heartily thank you, Deepak and the Lions club for such a large donation.

Enclosed is a picture of all of us in action raising money for Macmillan cancer support.

I hope you enjoyed the cake.

Kind regards

Lina Gopaul

RAISING A CUPPA: Everyone does their bit to help Macmillan Cancer Care

STAFF, visitors and residents of a care home raised nearly £800 for Macmillan.

A coffee morning was held at St Michael's Lodge, a care home for people with mental health issues in Bulwer Road, Leytonstone.

As well as taking donations from people taking part, money was raised from bric-a-brac and other stalls. Staff said it went very well.

A stall on the street helped bring in the money at St Michael's Lodge (EL10819-1)
