Dear Mr Singh Rooprai

I am writing to thank you for the kind donation of £200.00 in favour of Macmillan Cancer Support that was raised following the Charity Ball. It is a generous sum of money and do please pass on our thanks to all the members of the the Lions Club for their generous support.

Macmillan Cancer Support helps people who are living with cancer. As well as taking action today to support people with cancer, we're shaping the future of cancer care. Our increasing range of services, including our Macmillan nurses, doctors and other health professionals, cancer care centres, a range of cancer information, practical help at home and help with money, is funded entirely through the generosity of our donors. Macmillan provides the practical and emotional support which will change the lives of people living with cancer today.

If you would like a speaker for one of your meetings, then please get in touch. We would be more than happy to send someone along to tell you more about our work.

This is very kind of you and we really do appreciate your support of Macmillan.

Yours sincerely

 **Sophia Masood**
