Dear Sirs,

I am writing to thank everyone at the Lions Club of Fairlop Charity for supporting Marie Curie Cancer Care's work with your recent donation of £400.00, and please accept this letter as your official receipt.

Every evening 280 people throughout the UK will open their front door to a Marie Curie Nurse who has come to help them at the time that they need it most. Our care enables cancer patients to stay in the familiar surroundings of their own homes with their loved ones as their illness progresses.

This year alone Marie Curie Cancer Care will provide more than 5,064 hours of care for people in the County of Berkshire. However the demand for our services increases each year and for every family we help, there is another that we can't. Every hour of a nurse's time costs the charity £20, so you can see just how valuable your support is.

I have arranged for you to receive our supporter newsletter *Shine on* in the near future, where you can read about news and events across Marie Curie Cancer Care and in your local area. If you would like to know more about what we do in the meantime, please feel free to contact me on the number given above.

Thank you once again for supporting Marie Curie Cancer Care.

Yours sincerely
