

Trees for Cities

Lion President Paul Chakravarti
The Lions Club of Fairlop

21 January 2013

Dear Lion President Chakravarti,

A very warm thank you from Trees for Cities

I am writing to express my sincere and upmost thanks for your generous donation to the Ray Park Project as well as Lions members giving up their time to volunteer on the 12th January. Your gift will contribute towards creating a new wet woodland area which will be enjoyed by many in the years to come.

As you may already know, we carry out many projects each year working closely with community groups and schools to promote the regeneration of neglected green spaces in cities. Through this, we grow stronger communities, enhance urban spaces and improve health and happiness in the parts of cities that need it most. Such work would not be possible without the generous support of organisations such as the Lions Club of Fairlop.

Thank you again for supporting our work and if you would like any further information, please contact me on 020 7820 4418 or rowan@treesforcities.org.

Kindest regards,

Ms Rowan Schnauer
Development Manager
