

Lions Clubs International Foundation

300 W 22ND STREET · OAK BROOK ILLINOIS 60523-8842 USA · 630.571.5466

Dear Club President:

Enclosed is the current year's chevron **to be attached to your club banner beneath the Melvin Jones Fellowship patch.** Your club has earned this chevron by attaining your first Melvin Jones Fellowship for this year. My congratulations to each member of your club. Attach this chevron to your banner as soon as you can and let it be a constant reminder of every member who had a part in reaching this important goal.

A large portion of humanitarian service projects supported by Lions Clubs International Foundation grants receive funding from fellowship donations. These donations are the main reason that the LCIF Board of Trustees was able to launch the International Assistance Grants (IAG) and Core 4 programs. Thanks to the Melvin Jones Fellowship program, we are meeting more humanitarian needs than ever before.

Display this chevron on your club banner with pride; it represents your club's commitment to serving your local community and the world community as well.

Sincerely,

A handwritten signature in cursive script that reads "Al Brandel".

Al Brandel
Chairperson, Board of Trustees

Enclosure

P.S. Every year in which your club has an MJF recipient your club will receive a chevron to place beneath this patch.
